++ Valid for broadcast between 1800 and 0600

Headline:
An unsettled and windy weekend.

This Evening and Tonight:
Mainly cloudy with patchy light rain, although the south and east dry for much of the time. The rain will turn heavy and persistent across the northwest. A mild night with freshening winds.

Saturday:
Wet and windy at times with gales around the coasts. Clearer, showery conditions pushing in from the west later and winds becoming severe gale force in the northwest.

Outlook for Sunday to Tuesday:
Gales or severe gales at first on Sunday, the strongest winds in the north. Blustery showers. Turning wet and windy again on Monday. Brighter with showers on Tuesday.
